TERMS AND CONDITIONS:

1. PATENT PROTECTION: Seller agrees to defend and indemnify the Buyer and hold it harmless with respect to all patent,trademark and copyright infringement liability or expenses arising out of the use or sale of the goods covered by this order and, after notice, to appear and defend at its own expense any such suits in law or equity. If Buyer is enjoined from use of the good, Seller shall, within a reasonable time and at no additional cost to Buyer, repurchase the goods at the contract price.

2. WARRANTY AND INDEMNITY: A sticker must be provided on product showing warranty period & shipped date. Seller warrants that goods delivered will conform to this order and any description or specification relating to such goods and that such goods shall be fit for the use intended by Buyer and free of all defects. Seller agrees that this warranty shall survive acceptance of the goods. Seller agrees to indemnify Buyer and hold it harmless from and against all claims, loss, damage or expense, arising from or by reason of any actual or claimed defect in the goods.

3. TERMINATION AND REMEDIES: Buyer reserves the right to cancel on written notice this purchase order, including, but not limited, the following circumstances:

a. If the Seller fails to perform within the time specified or extensions thereof agreed to in writing by Buyer.

b. If Seller fails to comply with other provisions of this order, or fails to make progress so as to endanger its performance of this order in accordance with its terms and does not cure such failure within ten (10) days of notice from Buyer or such longer period as Buyer may in writing authorize.

c. If Seller becomes insolvent or is subject to proceedings under any law relating to bankruptcy, insolvency, or the relief of debtors; in the event of default or breach by Seller or rightful rejection of acceptance of the goods by Buyer, Buyer may cancel the order and recover so much of the price as has been paid together with any other damages. In addition to any other remedy provided by law or this contract, Buyer may cover by making in good faith and without unreasonable delay, any reasonable purchase of or contract to purchase goods in substitution for those due from the Seller and shall recover from Seller as damages, the difference between the cost of cover and the contract Price together with any other damages.

4. SHIPMENT OR DELIVERY SCHEDULE: Shipment or deliveries shall be in accordance with the schedule established by the order. If Seller does not or it appears that Seller will not meet such schedule, Buyer may, in addition to any other rights or remedies provided by law or this order, require that Seller ship via expedited routing to meet such Schedule or to recover the time lost, and Seller shall pay the difference in cost.

7. OVER SHIPMENTS: Over shipments of any material not approved by Buyer in writing will be returned at Seller's expense.

8. CONFLICTS: Should any of the above terms and conditions be in conflict with any agreement subscribed by both parties the terms and conditions contained in any of such documents shall prevail over this Purchase Order. All other terms and conditions herein shall remain unchanged.
